Experio English – Learn, Explore & Experience

Where English language learning meets culture, friendship and discovery.

Welcome to Experio English

Experio English has been created through the merger of Experio Life and EngXcel, combining decades of expertise in English language education, summer schools, and international student travel. Together, we deliver the best of both worlds: the academic rigour of high-quality English-language teaching and the creativity and care of an organisation dedicated to creating unforgettable cultural experiences.

We specialise in:

- International Summer School in Cambridge for Young Adults (16-19 yrs)
- Group Stays in Cambridge, Bristol, York, Manchester & London – available all year
- London Live! – Learning Beyond the Classroom
- UK School Integration for individual students and groups (7-18 yrs)

Cambridge

Cambridge is one of the world's most famous university cities, blending centuries of tradition with a vibrant, youthful energy. For young adults aged 16–19, it offers the perfect mix: a safe, student-friendly environment where world-class learning meets inspiring cultural experiences. From historic colleges and lively cafés to world-class museums and riverside walks, Cambridge is the ideal place to improve your English, broaden your horizons, and make lasting friendships.

Anglia Ruskin University (ARU)

Founded in 1858 as an art school, ARU has grown into a globally recognised university with a thriving, modern campus in the heart of Cambridge. Its bright, fully equipped classrooms and welcoming atmosphere make it the ideal setting for young adult learners. The dedicated residential hall opposite the main campus ensures safety and convenience, while Cambridge itself provides endless opportunities to explore history, culture, and innovation. ARU offers the perfect balance of academic excellence, student life, and cultural discovery.

Course Overview

The Experio International Summer School in Cambridge is a two-week residential programme designed to challenge and inspire students aged 16–19. After placement testing, learners join small classes of up to 16 students at a similar level for personalised progress.

The programme combines:

- **General English**
- **English for Academic Purposes (EAP)**
- **Electives developing 21st-century skills** (public speaking, critical thinking, problem solving, teamwork).

Public Speaking & Debating: Develop confidence and impact in spoken English through interactive workshops on presentation skills, persuasive argument, and structured debates. Students learn to think quickly, speak clearly, and lead discussions — skills that are essential for success at university and in the workplace.

The World of Work: Prepare for the next step with practical skills for career and study progression. From writing a CV or personal statement to practising interview techniques and exploring career pathways, this elective gives students the tools to stand out in applications and future opportunities.

Global Issues: Engage with the challenges and opportunities shaping our world today. This elective draws on OUR PLANET MATTERS modules to explore climate change, sustainability, and international cooperation. Students reflect critically on global problems while discussing solutions and innovations with their peers.

Innovation & Technology: Step into the future with a hands-on introduction to cutting-edge developments in Artificial Intelligence, Virtual Reality, and Robotics. Students explore how emerging technologies are transforming education, careers, and society, sparking creativity and curiosity about the possibilities of tomorrow.

- **Project Work:** In these dynamic sessions, students work together in international teams to tackle real-world challenges. From identifying issues and researching solutions to pitching their ideas, the projects encourage creativity, critical thinking, and teamwork. Along the way, students develop valuable skills in discussion, debate, negotiation, marketing, and presentation, while gaining confidence in intercultural communication. These sessions not only strengthen English fluency but also prepare students for future academic and professional success.

Led by qualified teachers drawing on a range of expert perspectives, the course helps students gain confidence in communication while experiencing the academic and cultural buzz of Cambridge.

By the end of the course:

Students leave with stronger English, enhanced study skills, international friendships, and greater confidence for their future education and career. For parents, our **British Council accreditation, safe accommodation, and 24/7 supervision** provide full peace of mind.

Cultural Programme

In just a short walk from campus, students can explore Cambridge's treasures:

- King's College Chapel & King's Parade
- Market Square with street performers and cafés
- Dinky Doors Trail – quirky and fun to discover

And world-class museums:

- Fitzwilliam Museum (art & antiquities)
- Museum of Zoology (giant whale skeleton!)
- Museum of Archaeology & Anthropology
- Sedgwick Museum of Earth Sciences (dinosaurs & fossils)
- Polar Museum (Scott Polar Research Institute)

Evening Activities

Evenings are packed with opportunities to relax and have fun with friends.

Activities include:

- Sports tournaments & quizzes
- Cinema and bowling nights
- Cambridge Ghost Tour
- International Student Disco
- Summer punting on the River Cam

All activities are fully supervised, giving students a safe environment to enjoy their independence.

Weekend Excursions

Each two-week course includes four full-day trips – three to London and one to Canterbury.

London Icons Tour

From Buckingham Palace and Big Ben to the South Bank, London Eye, Globe Theatre and Borough Market, students discover the London they've always imagined.

London Culture & Creativity

Explore the British Museum, Tate Modern, and National Gallery, then enjoy free time in Piccadilly Circus, Leicester Square, Chinatown and Covent Garden.

London Youth Experience

A teen-friendly mix of sights and freedom: Camden Market, Regent's Park, Oxford Street and West End shopping.

Canterbury

Canterbury is one of England's oldest and most beautiful cities. On the guided walking tour through the cobbled streets and ancient city walls, students will step back in time before exploring the stunning Canterbury Cathedral, a UNESCO World Heritage Site famous for its medieval architecture and dramatic history. Students will also have ample time to explore and shop before returning to Cambridge for dinner.
